

Set Up Assistant

Be Part of Something Brilliant, Volunteer at the Worcester Show!

The **Worcester Show** simply wouldn't happen without the energy, enthusiasm and community spirit of our incredible volunteers. Join a friendly team, learn new skills, meet fantastic people, and be at the heart of one of Worcester's most loved community events.

Whether you're helping behind the scenes with site build, supporting judges in the Competition Marquee, capturing the magic as a photographer, cheering on teams in the Village Games, or keeping the Main Stage running smoothly, there's a role for everyone. From creative décor-making and sustainability champions to show runners and stewards on the big weekend, every volunteer plays a vital part in bringing the Show to life.

However you choose to get involved, you'll be making a real difference, and having a great time doing it!

Give a little time, make a big difference, volunteer with us at the Worcester Show.
