MEET THE SHOW MAKERS

Behind the scenes our brilliant team of volunteers, known as the Show Makers, make it all possible. They are the friendly faces helping with everything from judging competitions and taking official photos to guiding visitors and answering questions. But their hard work doesn't stop there.

In the lead-up to the Show, our volunteers have been assembling marquees, setting up equipment, marking out the site, and bringing the Show to life.

After the crowds leave, they're back at it — dismantling and packing away to prepare for next year's event.

To all our Show Makers — thank you. Your creativity, passion and commitment are the reason Worcester Show continues to thrive. We couldn't do it without you.

Get in touch if you'd like to be a Show Maker via worcestershow.org.uk or info@worcestershow.org.uk

RECYCLING AT THE SHOW

This year, the Worcester Show is placing a strong focus on recycling and helping visitors understand how to "Recycle Right".

Throughout the event, there will be a dedicated Eco Zone, where green recycling bins will be carefully monitored.

Worcester City Council's recycling staff will be on hand to sort through materials and speak with visitors, offering practical advice on what can and cannot go in your green bin—and why it matters.

This is a great opportunity to ask questions, learn more about how to recycle right and improve your recycling habits at home.

Visitors will also have the chance to explore a bin lorry on site. This hands-on experience is especially exciting for children, giving them a behind-the-scenes look at how recycling is collected and managed once it leaves your home.

There will also be interactive games and activities focused on recycling plastics, and tips on how to reduce waste and recycle correctly at home

Whether you're looking to brush up on your knowledge or introduce children to good recycling habits, there will be something for everyone.

SUSTAINABILITY AT THE WORCESTER SHOW & BEYOND!

At Worcester City Council, we're committed to creating a vibrant, healthy, and more sustainable city!

This includes reducing the environmental impact of our events.

Be sure to visit the local groups including Bike Worcester and the Ramblers — and pick up tips and inspiration for getting around the city on foot or by bike.

We're encouraging visitors to walk, wheel, or cycle to the event where possible. There's a cycle parking area near the front entrance and a temporary Beryl bike bay located right by the main gate for easy drop-off and collection.

BERYL BIKES OFFER FOR WORCESTER SHOW

BOTTLES WINE BAR

Life's too short to drink boring wine

Tucked away on New Street, Worcester, Bottles is the place where great wine, good food and even better company come together.

We don't do wine snobbery. We do great recommendations, plenty of laughs, and wines you'll want to come back for.

Here's what we're pouring...

A multitude of wines to enjoy in the bar or take home from our in-house wine shop.

Regular wine tasting events that are as much about laughs and stories as they are about wine.

Hot food from our kitchen residents, Chad's Gnashery, serving up seriously tasty food to keep everyone happy.

Planning a celebration? We can host larger groups or even bring the party to you with our mobile bars.

COME FOR THE WINE. STAY BECAUSE SOMEONE SAYS,
"SHALL WE HAVE JUST ONE MORE?"

Independent, local and proudly Worcester.

Owner, Joanna Crum, and Operations Manager, Hannah Webb, are the duo behind Bottles—one keeps the wheels turning, the other keeps the glasses full. (We'll let you work out who's who.)
